

“GO GLOBAL CLUB” REPORT 2023 -2024

1. Dr. Deborah Rosario:exploring the Benefits of Higher Education in USA

LNCT Go Global Club hosted a captivating talk by Dr. Deborah Rosario, a distinguished expert in international education. The event was held at LNCTE auditorium on 6th October 2023, focused on the benefits of pursuing higher education in the United States. Dr. Deborah Rosario, a Senior Education Adviser at the US-India Educational Foundation (USIEF) in Mumbai, brought her wealth of experience and knowledge to the stage. She discussed the academic excellence, research opportunities, and cultural experiences available for international students in the U.S. Attendees actively engaged with Dr. Rosario, seeking guidance on the application process, scholarships, and resources for studying in the U.S. The event left participants inspired and well-informed, ready to embark on their educational journeys.

2. German Language Symposium led by Ms. Suman Judge

German Language Symposium was a successful event organized by the GO Global Club at the LNCTE Auditorium on 16 February 2024. This was led by Ms. Suman Judge, Director and Founder of German Language Classes (GLC). This focused on highlighting the various opportunities that the German language offers for higher education abroad. Tailored to empower aspiring scholars, this event served as a gateway to explore the diverse academic landscape and cultural richness awaiting those who choose to pursue their studies in German-speaking countries.

3. Beyond Borders Podcast (Episode - 1)

Beyond Borders was a live seminar conducted by Go Global club LNCT under T&P department on YouTube on 27 February 2024 with guest Ankur Sahu from Concordia University Canada, Alumni of LNCT Batch 2023. This seminar was all about exploring the options for studying in Canada. It gave students a clear picture of what Canadian universities offer and how international students can apply. They heard from Ankur Sahu who shared his experiences and tips. He talked about different courses, how to apply for scholarships, and what life is like on campus. The seminar showed us that Canada is a friendly and diverse place for students from all over the world.

Date : 27/02/24

4. Beyond Borders Podcast (Episode-2)

Go Global Club LNCT under Training and Placement department hosted a live seminar on YouTube on 17 March 2024 with our esteemed Alumni, Sakshi Chandel from University of Melbourne, she shared some valuable insights on IT analysis and pursuing higher education in Australia including information about universities, courses, admission processes, scholarships, and student life. Through interactive discussions and Q&A sessions, attendees had the chance to ask questions and gain a better understanding of what studying in Australia entails. In addition to discussing general higher education opportunities, the seminar delved into the specific field of IT analysis, highlighting the programs, specializations, and career prospects available in this rapidly evolving field. Attendees gained insights into the cutting-edge technologies, industry trends, and practical skills necessary for success in IT analysis roles. Overall, the seminar served as a helpful resource for individuals considering pursuing their academic aspirations in Australia, offering guidance and inspiration for their educational journey ahead.
