A Message from The Chairman' Desk

Shri J N Chouksey
Chairman

Greetings, Remarkable Students!

As we unveil the much-awaited eleventh edition of our beloved newsletter 'Prabandhan', my heart swells with boundless pride and delight. This momentous occasion not only signifies our collective achievements but also symbolizes the journey of growth and excellence we've embarked upon together.

In this bustling hive of knowledge that is LNCT, I urge each and every one of you to embrace your dharma - your inherent duty - with zeal. Let your studies be not merely a task, but a passionate pursuit fueled by dedication, discipline, and unwavering perseverance.

At LNCT, we stand committed to nurturing your holistic development, providing every resource and opportunity for you to flourish. Here, you're not just students; you're valued members of our LNCT family. Each faculty, each staff member, and each one of you is an integral part of our close-knit community.

Within these walls, you'll encounter challenges that will test your mettle, but fear not, for it is through these challenges that you will grow and evolve into the best version of yourself. Remember, it is not merely about reaching the destination, but about the journey of self-discovery and growth along the way. To the entire LNCT family and the dedicated Prabandhan team, I extend my heartfelt wishes for continued success and prosperity. Let us continue to strive, inspire, and soar to greater heights together.

With warm regards,
Shri Jai Narayan Chouksey
Chairman- LNCT Group

A Message from Director's Desk

Dr. Arvind Singh
Director

Dear students,

I am excited to share with you the 11th edition of our newsletter 'Prabandhan', I want to take a moment to express my heartfelt gratitude and commendation for dedication and hard work of editorial team.

First and foremost, I want to say how incredibly proud I am of our students. Your hard work, dedication, and enthusiasm are truly inspiring. Whether you're hitting the texts, engaging in discussions, or participating in & out door activities, your efforts do not go unnoticed. You are the heartbeat of our college, and it's your energy and

passion that make this community so special.

Your creativity and commitment to delivering top-notch content are deeply appreciated, thank you for all that you do. The newsletter is such an important part of our community. It's where we celebrate achievements, share news, and keep everyone informed.

Your success is our greatest reward, and we are committed to providing you with the resources and opportunities you need to thrive. Thank you for your hard work, enthusiasm, and commitment to excellence.

I look forward to witnessing your continued growth and success.

With warm regards,
Dr. Arvind Singh
Director of Department of Commerce and Management- LNCT Group

A Message from Group OSD's Desk

Dr. Sunil Singh
Group OSD

As we continue to strive for excellence, I encourage you to engage actively with the opportunities available at LNCT. Participate in academic pursuits, join clubs and organizations, and take initiative in community service. Each of these experiences contributes to your personal and professional growth, preparing you for future challenges.

Thank you for being part of this incredible journey. Your dedication and hard work inspire us all, and I look forward to witnessing the many successes that lie ahead. Remember, the future is yours to shape, so make the most of every moment.

Best wishes for a successful and fulfilling academic year ahead.

Warm Regards,
Dr. Sunil Singh
Group OSD-LNCT Group

Dear Students,

I hope this message finds you all in great spirits. It is with immense pride and gratitude that I extend my heartfelt congratulations to each one of you for the successful release of the 11th edition of our college newsletter, "Prabandhan". As the Officer on Special Duty (OSD) of the LNCT Group, I am thrilled to welcome you all. The latest edition reflects the collective effort, creativity, and passion of the entire team.

Each article, feature, and design element showcases your talent and dedication to delivering excellence. You have set a high benchmark for future editions and have made a significant contribution to the LNCT community.

Life is a journey filled with ups and downs, and it is essential that we keep moving forward, regardless of the setbacks we encounter. Success is not defined by the absence of failures but by our resilience and determination to overcome them. At LNCT, life is synonymous with hard work, discipline, and perseverance.

Similarly, you should embrace the role of a problem solver in your own life.

A Message from Content Writer's Desk

Ms. Adya Tiwari
Content Writer

Dear Team,

I wanted to express my sincere gratitude for this incredible experience and journey in *Prabandhan*. It has not just been a part of writing content but also it was a process through which I was polishing my skills, growing my knowledge, building team spirit, and what not.

As I bid farewell to this amazing team, I wanted to take a moment to express my deepest gratitude. Working with each of you has been an incredible journey filled with learning, growth, and countless memories. I am truly thankful for the support, guidance from our mentor Dr. Anjali Singh Verma Ma'am, without whom this journey would not have been possible.

Also to my team mates together, we have faced challenges, celebrated successes, and formed bonds that I will cherish forever. I will carry with me all the lessons and experiences from this chapter of my life. Thank you for everything.

Working alongside all of you has been an absolute blast. I've learned so much from your talent, dedication, and collaborative spirit.

I'll always cherish the memories and the strong content we created together. Remember, You're an amazing team, and I have no doubt you'll keep churning out fantastic pieces.

Warm Regards,
Adya Tiwari

AMBITIOUS APRIL

Expert Lecture on Emerging Careers

On 3rd April 2024, the Department of Management & Commerce hosted an expert lecture on "Emerging Career in the Year 2027" for first-year MBA students. The session, led by Mr. Arpit Solanki, Head of Outreach, OP Jindal University, examined the prospective career trends that await students in the near future.

Mr Solanki's interactive style deeply engaged the students present and found it immensely instrumental in understanding their academic interests. More importantly, it aided in aligning these interests with the rapidly evolving career opportunities. Along with this, the lecture offered a comprehensive roadmap tailored to individual career paths and presented career exploration as an exciting journey rather than a stressful decision.

The lecture, filled with valuable discussion about the intersection of interests, talents, and careers, was a significant stepping stone for students, empowering them to make informed decisions about their future

Industrial Visit: DAAWAT Food Ltd.,

On 5th April 2024 organized by the Department of Management & IT was an Industrial Trip to DAAWAT Foods and Ltd, Mandideep for the students of BBA BIA 4th and 2nd semester and LNCTU MBA 4th semester. Students lived the complete experience into the raw paddy to husking, preprocessing, stoning, quality testing, sorting, metal detecting, packaging and branding to final loading to be ready to export to different countries and retail in our own. Various variety of rice preprocessed to a more nutritious form for mid-day meal under the Government's scheme.

Students visited the mill machinery under safety precautions and hygiene and being BIA students were acquainted to the Thailand machines software automated through Japanese technology. Getting insights into the market of Brand DAAWAT in USA, UAE, Lentils in Netherlands and various other Countries. At the end of the visit our faculty presented a Token of Gratitude and Appreciation to the Authorities of Daawat for the Educational, Insightful and Knowledgeable Real Industry Experience.

Industrial Visit: Ananya Packaging P. Ltd.

On 5th April, 2024, Students of BBA 4th Sem of LNCT University got a sneak peek at how everyday bedsheets are made during an Industrial visit to Ananya Packaging, a company that goes beyond the basics. They use innovative techniques and top-quality materials to create comfy sheets, even exporting them internationally!

Their secret? A focus on efficiency (buffer stocks for fast delivery) and affordability, making them a favorite B2B supplier.

Led by the visionary Mr. Rajeev Agrawal, Ananya prioritizes customer needs, supplying sheets to giants like Sleepwell. Students gained a lot of insights about the B2B ecommerce industry. So next time you cuddle up, remember the innovative minds behind the scenes!

Stress Management

On 6th April, the Department of Business Administration recently organized a workshop on stress management, led by Mr. Amit Pandey, a renowned health coach. The workshop aimed to equip the faculty with practical strategies to alleviate stress and enhance their overall well-being. Mr. Pandey shared invaluable insights and techniques to manage stress effectively, emphasizing the importance of mental and physical health.

It provided valuable tips on stress release, including mindfulness exercises, relaxation techniques, and time management strategies. With stress being a common concern in academia and professional settings, the workshop offered valuable tools for maintaining a healthy work-life balance. Along with this, the workshop encouraged individuals to prioritize self-care and adopt healthy lifestyle habits to combat stress effectively.

The event served as a testament to the department's commitment to fostering a supportive and nurturing environment for its faculty members' holistic development.

Overall, the workshop served as a transformative experience, enabling the participants to navigate the demands of academia and beyond with resilience and vitality.

Engineering Olympics 2K24

On 11th,12th,13th and 14th of April 2024 were organized day-night inter college tournaments in LNCTE campus including indoor and outdoor games. Ranging from events like football, basketball, volleyball, kabaddi, kho-kho, badminton, cricket, gully cricket to indoor like chess, carrom, table tennis for boys and girls. The whole day night event had enthusiastic participation and a massive cheering audience.

Every year Engineering Olympics is marked by the celebration of our Honorable Secretary Authority Dr. Anupam Chouksey's birthday for it's inaugural. Later then after cake cutting were distributed some lottery pick wins gifted by our sports faculty Pankaj sir and Director Dr. Ashok Kumar Rai, various gifts included gym bags, sports shoes, badminton, rugby, basketballs, footballs and volleyballs. And the event games finally began after a beautiful dance performance by our college girls.

Many students of Department of Management and Commerce took part and won in various events, Gully Cricket Girls marking the winning position amongst others. Weightlifting included beautiful performances by girls and boys and wonderful audience support.

Many registrations in the game of kabaddi college and intercollege marked huge audience engagement through out the course of 4 days inclusive of many college students who are national and state players. Footballers striking wonderful set of skills and agility and tug of war full of teamwork and mass strength play.

The whole event was extremely palpable and exciting. Every point intriguing. On 14th all the finals of all the events were organized around the campus grounds and field courts. With continuous communication within the coordinators the event was a great success and joy.

Zumba Fitness Reducing Stress

We're thrilled to recount the exhilarating experience of our recent Zumba class, held on April 12, 2024.

This dynamic event was coordinated by two spirited DAV students and guided by our esteemed faculty members: Dr. Bhavna Likhitar, Sandhya Ma'am, and Santosh Sir. This Zumba session transcends mere physical activity; it was a jubilant long and eventful into stress alleviation through the rhythmic art of dance.

Participants were swept into a whirlwind of movement and rhythm, led by our fervent coordinators who infused the room with boundless positivity and energy

Throughout the session, smiles flourished, and tensions dissolved, eloquently demonstrating the therapeutic efficacy of Zumba in nurturing both physical and emotional wellness. Participants not only relished the invigorating workout but also gleaned invaluable insights into stress management through the sheer delight of dance.

The triumph of this Zumba extravaganza stands as a testament to the indomitable commitment of our students and the unwavering support of our faculty in championing holistic well-being within the DAV community. We extend our heartfelt gratitude to all who contributed to making this event an astounding success.

Expert Talk on AIML

On 15th April 2024, the students of MBA 2nd semester got an opportunity to attend a profound lecture on 'Applicability of AI ML in today's business and government scenario' by one of the industry experts Shri Amit Kumar Gupta. This event was organized by the Department of Commerce and Management under supervision of Dr. Bhavana Likhitar, HOD of MBA, and was fully interactive and informational. The center of attraction, Mr. Amit Sir has experience of working with "big four" companies except KPMG. During this session, MBA students had an informational conversation on How artificial intelligence will affect jobs in the future, Difference between AI, ML and DL, What is the difference between Debt and Equity, How businesses can use AI by maintaining their efficiency and effectiveness and many more such questions.

As the session goes on, students' curiosity to find answers to such questions increases. Every single information brought bundles of questions and students were eager to discuss with him. "Change is the only constant" was the moral of the entire discussion and it is very important to maintain the existence of any business in a dynamic environment.

At the end of the lecture, students had a very clear thought about the applicability and potential of AIML in today's competitive business world.

CPBFI Orientation Programme

We are pleased to provide a recap of the recent CPBFI Orientation Program. Throughout the program, participants had the opportunity to engage deeply with various aspects of banking and finance.

A key highlight was the expert talk delivered by Densill Jain on April 15, 2024. Mr. Jain's insights into banking and financing provided valuable perspectives that enriched our understanding of the industry's complexities.

Furthermore, discussions on the path to success in banking proved to be insightful and inspiring. Participants explored diverse strategies and opportunities for personal and professional growth, laying the groundwork for their future endeavors in the field.

Additionally, the program provided a platform to reflect on past achievements, including our successful CSR collaboration with Bajaj, highlighting our commitment to making a positive impact in the community.

Overall, the CPBFI Orientation Program was a resounding success, fostering learning, collaboration, and growth among participants. We look forward to seeing the continued development and success of our students as they apply the knowledge and insights gained from the program.

Workshop on Employability Assignment

On 16 April 2024 organized by LNCT Department of Management and commerce an insightful and informative workshop on employability assignment through tally prime by Mr. Chandrakant Singh the Regional manager of Tally Education and Distribution Services Pvt. Ltd . This workshop about tally has explored new exposing oppurtunities through which we can have greater access to employment in account of tally. It is a distinct topic holding ranges to upgrade students as well as other people in any of their favourable field.

This workshop was fruitful for all the faculty members as well as students. The guest made it interesting to understand the basic concept of tally by adding 3 interesting questionnaire which held exciting rewards to make the workshop more insightful, exciting and engaging . Since this workshop was based on tally so the limelight of this session was importance of tally and it's courses. He focused on the concept of learning tally along with the students ongoing courses making it easier for the students to modify themselves. He emphasized on various aspects of industry holding tally in one or the other ways. His main aim of this session was to put up the fact that every person has it's own differential element to them unique.

In a nutshell, the benefits of this workshop held our belts tight to think more upon our modifying skills, leaving our minds brainstorming made it more enthusiastic towards acheiving our goal and making ourselves feeling more zealful towards discovering our unique minds.

“PRABHOTSAV”

LNCT wins at Prestige

The Techno-Cultural Fest "Prabhotsav" was organized at Prestige Institute, Bhopal, from April 19 to 21, 2024. Students from LNCT University participated with great zeal and enthusiasm, winning many prizes in non-technical events like the Ad Mad Show, Management Quiz, Management Games, Skit, Business Idea Competition, Debate, Reel it Feel it, and Talent Hunt. Harshita Kashyap (BIA, 4th Semester) won first prize in the Mehndi Competition, showcasing her talent and creativity.

The Management Quiz consisted of six rounds where participants had to identify logos, famous personalities, advertisements, case studies, and more. The group of second-semester BIA students – Vikas Mewada, Kamlesh Mewada, Prachi Sahu, Paramveer Raj, Vikas Sahu, and Jayshree Panikar – secured the first runner-up position by demonstrating their impressive business knowledge and decision-making.

In the Ad Mad Show, another group of second-semester BIA students – Vaishnavi Gupta, Vedansh Shrivastava, Shreya Gupta, Shivam Agrawal, Muskan, Niharika Rathod, Parimeeta Das, and Anmol Maurya – prepared an ad within 15 minutes based on a surprise topic, showcasing their storytelling, ideation and quick thinking.

Session by IMS, Bhopal

On 22nd April 2024 was organized one of the most illuminating and exploratory sessions on the Opportunities in HR/Marketing/Finance and Banking by the Chief Mentor, IMS Bhopal Guest Speaker Mr. Minhaz Pathan. The session was extremely eye opening for all the students of BBA, BCOM and BCOM RMEC. Sir enlightened the students about various concepts and practices of management. He provided multiple insights about the specializations and scopes in all these specific fields.

He brought special notice to the top universities providing these courses and what makes them the best. He illuminated our intrigued students about sales, BDE and brand management from Marketing, investment banking, consulting, risk management, asset management and project financing from Finance, HR concepts like staffing, general management, recruitment, training and development.

Different concepts of operations like procurement, plant management, supply chain and logistics and warehousing.

Coming of Era and IT- pre sales, IT consultant and project manager were also discussed. Covering of each concept included the top IIT's/IIM's/NIT's and various top colleges like SP Jain, TISS, NMIMS and JBIMS all top and best colleges providing these courses.

Momentous May

On 2nd May 2024, the AIMA and the Bhopal Management Association hosted an event on “Shaping Young Minds Programme ” for management students. This session was led by the distinguished speakers (ambassador dr. Deepak Vohra, Mr. Richard Rekhy, Dr. Shikha Nehru Sharma and Mr. Sudhanshu mani) , this program was held at LNCT University Auditorium , Kolar Road , Bhopal . Students from different colleges and universities was invited to be the part of this event .

This program was divided into 4 parts, each speaker got one and a half hours. For the first hour, Mr. Richard Rekhy who is an entrepreneur board member and former Chief executive officer of KPMG, motivated the students and gave guidance over Patriotism. In the second hour, Mr. Sudhanshu mani, who is a former general manager of ICF Chennai for Indian Railways and the visionary behind Indian's Vande Bharat express and transforming of Indian Railways, motivated the students and gave brief information about Indian railways and motivated them with the visionaries of transforming Indian railways . In the third hour, Dr. Shikha Nehru Sharma, the founder of Nutriwelhealth India ltd and shared her success story as a doctor , entrepreneur and some health - related information.

In the last hour, ambassador Dr. Deepak Vohra who is an special advisor to the PM, Lesotho, South Sudan, and guinea – Bissau and Ladakh autonomous hill development councils , Kargil and Leh . He discussed about new India ,guiding young Indians for shaping their future patriotism . He encouraged the daughters of India to be the pride of the country and spoke about India's growth and development .

After each session, the distinguished speakers were honored with a Memento and a gift box, and the 8 students on dias who were presenting different colleges asked questions related to the session .

To grab the students attention , A lucky draw contest was held for 11 students who had the chance to win BOAT MASTER WATCHES with Alexa .

The event showcased the best and the brightest minds coming together to shape the future . As the day progressed , it became increasingly evident that the “shaping young minds programme” was not merely an event but a catalyst, setting the stage for a brighter tomorrow."

BIZ Lab Inauguration

On 3rd May the inaugural ceremony of All India Management Association's Biz Lab was organised by the department of management and commerce. The event was held at LNCTE's auditorium and was graced by the Vice Chairman of LNCT group of Colleges, Mrs Poonam Chouksey and Chief Guest Mr Ravi Jangra, Deputy Director Centre for Management Development. The ceremony was inaugurated by the dignitaries by lighting the ceremonial lamp. Dr Arvind Singh, Director of Management and commerce department, provided valuable insights into the vision and objectives of the BizLab.

BizLab is a state-of-the-art facility, poised to nurture budding entrepreneurs, providing them with the resources and guidance needed to transform ideas into viable businesses. With industry partnerships and cutting-edge technology, the Biz Lab promises to be a hub of creativity and collaboration, empowering students to shape the future of business.

The event concluded with certificates distribution to the certified trainers from the faculty department.

Industrial Visit: Ananya Package P. Ltd.

On 9th May 2024, the faculty of management and commerce organized an industrial visit for Second semester MBA students to the ANANYA PACKAGE P. LTD. Situated in Mandideep. Plant manager, Mr. Jitendra Sharma briefed the students regarding work style. The company deals with the production of Decomposed foam, which is formed by mixing the regular foam, (which is usually imported from Italy, china, etc) with the binder.

The students visited the plant and learned about the production methods and the distribution techniques of the rebonded foam mattresses. Students witnessed the integration of technology and human resources for the real-world applications. Plant manager also enlightened the students about quality control once the production is done. The block is supplied to various mattress manufacturing units like Duroflex, Sleepwell, Sheela foam, and Kurl on.

Overall, the Ananya package P. Ltd. Provided immense knowledge to the students and insights for future managerial roles.

Pannel Discussion

On May 10th, the Department of Management & Commerce organised a panel discussion for MBA students on Youth Employability. Dr. Shrishti Umekar, Co-founder & Director of Sharan Welfare Foundation, and Parul Shrivastava, CEO & co-founder of Credmudra, graced the event as chief guests. The discussion, moderated by Dr. Anurag S.D. Rai, Director of Kalchuri LNCT Incubation Centre, delved into pressing issues surrounding youth employability in the current market landscape.

Insights and strategies were shared to empower students in navigating career prospects effectively. Following the panel discussion, an interactive session allowed students to voice their concerns and seek clarity on navigating the competitive job market. This helped students get practical knowledge from industry experts on how to better equip themselves for future endeavors

The panel discussion provided a platform for fostering dialogue and collaboration between industry leaders and aspiring young professionals, paving the way for all freshers and recent graduates.

Workshop On Business Resilience In The Era Of Global Turbulence

A workshop on “Business Resilience in the Era of Global Turbulence” organized by Department of Management and commerce on 11th May 2024 at LNCTE's seminar hall for first and second year MBA students by orator Dr. Vishal Srivastava, professor in Jain University, Bengaluru.

The main objective of the Workshop was to make students aware about "Resilience". Resilience is not threat but challenge handling. The programme also aimed on minimizing the dependency, technological development, Human's need to learn how to cope with the problems and face the hardships while shaping out careers to become professionals, etc.

The best part of the Workshop was the cases given to each group to overcome the challenges, explained students the alternative solutions and how not to see it as a threat but an opportunity. Overall, it was an insightful and very interactive session.

Resume Building Workshop

The HR Club of LNCT organised a Resume Building Workshop on 15th May 2024, at LNCTE's Seminar hall. It was organised for the members of HR Club.

The Trainer of the Workshop was Mr. Manish Gurjar, who trained attendees for analyzing job descriptions, customizing resumes for different industries or roles and some essential sections of a resume(Contact Information, Objective/Summary, Education, Experience, Skills, and References).

The objective of the workshop was to improve member's resume writing skills with the tools and knowledge to create compelling and professional resumes. Tips were shared on creating impactful LinkedIn profiles and digital portfolios. The members received hands-on experience in crafting resumes. They appreciated the practical tips and the opportunity to receive personalised feedback.

The Resume Building Workshop successfully met its objectives of enhancing student's resume-writing skills and providing them with the tools to create professional resumes. The positive feedback and active participation demonstrated the workshop's effectiveness in addressing the needs of job seekers.

Alumni Interaction Session with Akash Gupta:

Insight On Credit Risk Monitoring

On May 16, 2024, the MBA students of LNCT College had the privilege of engaging in an insightful alumni interaction session with Akash Gupta Sir, an Authorized Officer at a leading bank in Switzerland.

Akash, an alumnus of the same MBA program, shared his extensive expertise on the critical subject of credit risk monitoring. During the session, he detailed the importance of robust credit risk assessment frameworks in banking, highlighting the strategies his institution employs to mitigate potential risks. Akash emphasized the dynamic nature of credit risk, driven by both macroeconomic factors and individual borrower behavior, and discussed the advanced analytical tools used to predict and manage these risks effectively.

Akash emphasized the dynamic nature of credit risk, driven by both macroeconomic factors and individual borrower behavior, and discussed the advanced analytical tools used to predict and manage these risks effectively. He also provided real-world examples from his professional experience, illustrating how theoretical knowledge is applied in practice.

The session included a vibrant Q&A segment, where students actively engaged with Akash, posing numerous questions about current industry challenges and future trends in credit risk management. One student inquired about the impact of global economic volatility on credit risk, to which Akash responded with insights on adaptive risk management strategies. Another question focused on the role of technology in enhancing credit risk monitoring processes, leading Akash to discuss the latest advancements in machine learning and data analytics. The interaction not only deepened the students' understanding of the subject but also inspired many to consider careers in financial risk management. Akash's willingness to share his knowledge and experiences was greatly appreciated, making the session both informative and motivational for all attendees.

NISM Workshop

As part of the 'KONA KONA SIKSHA' campaign, the Entrepreneurship Development Council held an NISM workshop on "Financial Awareness" presented by SEBI – Financial Education Institute on May 16, 2024. Prof. Abhishek Jain and Dr. Satish Manwani coordinated the event, which saw participation from students of the Management Department.

The seminar featured experts Ms. Shruti Gupta and CA Piyush Gupta, who shared their knowledge in the LNCTE seminar hall, Bhopal. The experts covered topics such as money investment, mutual funds, SEBI, and career opportunities in the securities market. To engage the students, they included mandatory online pre-quiz and post-quiz sessions for certification.

On the second day, Ms. Shruti Gupta conducted a one-hour online session focused on the importance of investment and managing risk in the financial market. On the third day, CA Piyush Gupta led a one-hour online session discussing financial opportunities.

Students who participated in these online sessions received an additional certificate. The event was a success.

RJ Ved's Interactive Session

On Friday, May 24, 2024, the LNCT-E Auditorium was buzzed with excitement as it hosted a highly enthusiastic event under the esteemed guidance of Director Mr. Arvind Singh and Head of Department Dr. Bhawana Likhitkar. This spirited session featured the celebrated RJ Ved, a prominent social influencer and content creator renowned for his humorous, funny, and relatable videos.

He has a huge fan base of around 20K followers on Instagram and 77K subscribers on YouTube. He entertained the audience with his trademark wit, cracking numerous jokes and funny lines that resonated perfectly with the students.

His engaging style kept everyone in high spirits. A notable segment of the event involved students voting for their favorite songs, which would later be played on 94.3FM, adding an exciting interactive element.

In addition to the song voting, RJ Ved and his team conducted an interactive quiz round focused on Bollywood trivia. This segment saw enthusiastic participation from the students, with prizes awarded to the winners, further elevating the energy and engagement of the session.

The students found the entire event to be exceptionally interactive and refreshing. RJ Ved's presence and the activities he led created a memorable experience for all attendees.

The students found the entire event to be exceptionally interactive and refreshing. RJ Ved's presence and the activities he led created a memorable experience for all attendees. As the session concluded, students expressed their sincere gratitude to LNCT for organizing such an exhilarating event and eagerly anticipated more such vibrant sessions in the future. Overall, the event was a success, leaving everyone with a smile and a sense of appreciation for the lively and enriching campus life at LNCT.

Senior Prom: FAREWELL 2K24

On 25th May 2024 was organized Senior Prom: Farewell 2k24 for the signing off batches of UG (BBA, BBA-BIA, BCOM, BCOM-RMEC) and PG (MBA and MBA-DAV) by the Department of Commerce and Management on the Beautiful Traditional: Ethnic Theme. The whole event was full of nostalgia, overwhelming emotions and a whole lot of fun.

The event started with welcoming of Judges, Lightning of the Lamp and Ganesh Vanadana, on a positive spiritual note. Following along were a few song and dance performances by fellow juniors. One of the most interesting segments of the whole event was the variety of games organized by the coordinators for the seniors, including Saare Style Push Ups for Senior Boys, Balloon Blasters Boys and Girls and Seat Pe Dau: Musical Chairs for Boys and Girls, every victory was made extremely special on account of the gifts prepared for the winners.

For the Crowning of Titles, the Seniors were given Badge no. according to which they came in solo and as duo or groups for their creative and poised Ramp Walks some dancing, some posing and some smiling through their walks. As the external judges take their spot-on decision, our seniors willing to perform entertained their mates by singing songs and dancing and grooving to music. After some motivating words of our Director, as the winners were decided and announced four titles for each branch including Mr. Eve, Miss Eve, Mr. LNCT, and Miss LNCT were dedicated.

All the female titles were also crowned with beautiful tiars and then the program ended with all the coordinators and juniors singing a friendship song as a tribute to the seniors, wishing them luck and the best for future.

Jovial June

BIZ Lab Activity

On June 15, 2024, the Faculty of Commerce and Management organized a Bizlab activity that included creative business plans and entrepreneurial thoughts for first-year MBA students. The esteemed AIMA Bizlab program, which is renowned for encouraging innovation and leadership in the management sector, served as the inspiration for this occasion.

Through case studies and market trends, students got the chance to examine current business difficulties and provide solutions. The objective was to foster critical thinking in students by providing hands-on experience on management concepts, market trends, digital transformation, and sustainable business. The event's blend of practical learning and theoretical understanding was well-received and presented a perfect platform for students to get a virtual experience of the real world.

International Yoga Day

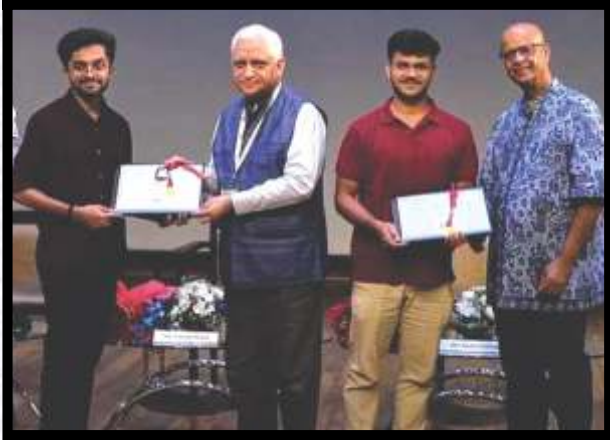

On 21 June 2024, the LNCT Group of Colleges marked International Yoga Day with inspiring participation from faculty members, staff, and students. Dr. Ashok Rai, Director of Administration, led the way in promoting the benefits of yoga. Expert trainers conducted a series of yoga exercises, guiding attendees through various exercises and breathing techniques.

Apart from the celebration, the event also highlighted the physical, mental, and spiritual benefits of yoga. Participants engaged in a rejuvenating session, which not only enhanced their physical flexibility but also fostered a sense of inner peace and community spirit.

Dr. Rai emphasized the importance of integrating yoga into daily routines for improved well-being. The celebration showcases the commitment of the LNCT Group of Colleges to the holistic and overall development of not just its students but the mental and physical well-being of its faculty and staff members as well. The event concluded with a collective meditation session, leaving everyone with a sense of tranquility and motivation to continue their yoga practice.
